

FOR IMMEDIATE RELEASE

01 October 2014

McCammant Appointed President

Scott McCammant has been appointed President of Spectralux Corporation, succeeding Michael Burke who announced his retirement earlier this year.

Mr. McCammant previously served on the company's leadership team - as Director of Finance, and most recently as Chief Financial Officer. As Chief Financial Officer he was responsible for all aspects of the corporation's financial strategies, treasury function, financial controls and management of the IT, Human Resource functions.

Prior to joining Spectralux in 2005, he held management positions in finance and operations with Panasonic Avionics, Tektronix and The Boeing Company.

A native of Seattle, Washington, McCammant holds a B.S. degree in finance from the Central Washington University.
