

SPECTRALUX CORPORATION
PRODUCT WARRANTY

Standard Warranty

Spectralux warrants that all delivered products at the time of shipment will be free from defects in materials and workmanship, and will conform to the applicable specifications and drawings, and, to the extent such products are not manufactured pursuant to detailed drawings furnished by Buyer, will be free from defects in design as set forth below.

<u>Product</u>	<u>Warranty Period</u>
Avionic Modules	42 Months
Datalink+ Products	42 Months
Lightplates & Floodlights	12 Months
Keyboards	12 Months
Cockpit Panel Assemblies	12 Months
Mechanical Assemblies	12 Months

Repair Warranty

Spectralux warrants repair work performed to be free from defects in materials and workmanship for a period of 12 months from the date of shipment or through the duration of the original warranty, whichever is longer. Products received for repair and evaluated as "No Fault Found" (NFF) may be subject to a bench check fee.

Limitations and Exceptions

Spectralux warranty does not cover;

- a) failures or damage caused by normal wear and tear, misuse, alteration, or negligence by Buyer or by any third party; or
- b) failures, or damage resulting improper installation, or improper packaging for shipment of returned goods; or
- c) products subjected to environmental conditions beyond the scope of the design such as application of incorrect power or storage in damp or dusty conditions; or
- d) products that have been disassembled, repaired or serviced at a location other than Spectralux unless previously authorized in writing by Spectralux; or
- e) Consumable Components - Items inherently susceptible to damage from current spikes, ESD, impacts, or other environmental conditions. Examples: fuses, incandescent lamps, LEDs and diodes; or
- f) Components obtained from the Buyer or a Buyer-specified source, or if specified in the product design when the Buyer controls the design criteria.
