

FOR IMMEDIATE RELEASE

17 August 2015

New Website Launched

A Fresh New Look for Spectralux.com

Spectralux Avionics announced the launch of a new website that offers a fresh new look and user experience. In addition to the visual changes, the website offers new access and support features to customers and authorized dealers. Among the new features is direct access to software upgrades and associated support materials.

Website address – www.spectralux.com

For more information in the new website, please contact Katherine A.R. Jones, Director New Business Development – kathyj@spectralux.com
